Team Customer Acquisition Bonuses (TCABs) are paid based on the number of Team Trainers that start in a calendar month and get Qualified within their first 30 days. Success as an ACN Independent Business Owner is not guaranteed, but rather is influenced by an individual's specific efforts. Not all ACN IBOs make a profit and no one can be guaranteed success as an ACN IBO.

2 TO REACH ETT QUICKLY, Show the ACN Opportunity to as Many People as Possible *Within Your First 10 Days*

- ▶ The Home Meeting (PBR) is the key to reaching ETT and is the most effective use of everyone's time.
- ▶ Show the ACN Opportunity to a **MINIMUM of 15 people** during your first week in the business.
- ▶ If you have 30 confirmations, expect 15 people to show up for your grand opening (50% will "flake").
- ▶ Your primary role is to **INVITE**. Let your mentors present, explain and enroll people in your business.

Use the Memory Jogger to create a list of everyone you know – "Top 10" first – **DO NOT PREJUDGE** anyone. Business owners, people with MLM experience, people who are already successful, and everyone else. A minimum list of 100 people is a great start!

▶ **INVITING** *(Important: do not make calls without first role-playing with your uplines!)* **Key points to cover:** 1) Do you look at other ways of making money? 2) Relate to your prospect; insert your objective or reason "Why" 3) Online Storefront & Utilities, 4) Edify the Presenter, 5) Set up confirmation call.

- 1) Hi ____, this is ____, how are you? Do you have a minute? (Listen) Let me ask you a crazy question. Do you look at other ways of making money?
- 2) (Me too...) I realized that what I'm doing is not going to get me where I want to be. So I started looking for something. When I saw this I immediately thought of you...
- 3) I just opened an online storefront where we can get paid when people pay for Utilities and other bills!
- 4) And, I've met an individual name ____ who is expanding the business in our area, and having tremendous success; he/she is extremely busy and this may be the last time I can get him/her to do this for me. I am inviting a handful of key people over for a grand opening at my place ____ at ____ and I really want you there. Can I put you down as coming? (Always insist they bring their significant other!)
- 5) IF YES: Someone may be calling you to confirm the appointment. See you (day & time).

FOR ALL QUESTIONS: It's about the deregulation of utilities. She/he will be over at my house on (date/time) to explain this business to both of us. The reason I was calling you was to help me evaluate it. Can I count on you to be there?

(For your top ten prospects and anyone with multiple questions, use the script and do a three-way call with the presenter.)

3 Keys to Inviting – EXCITEMENT – URGENCY – CONVICTION!

- ▶ **Excitement–Urgency–Conviction**

Can you do me a HUGE favor? I just recently partnered with a very large company and opened an online utility storefront where people can get good deals on services they use every day, such as wireless phone, gas, electricity, TV, etc...

The reason I'm calling is I'm very close to getting a promotion and I really need your help. Would you do me a HUGE favor, help me out and try all, some, or at least one of my services? Please.

Great!! Let's go to my Online Store website,
